# CTEK Comfort Indicator Panel Pigtail
RCTK56-564

Details

Eliminates the need to reinstall new eyelet terminals on the battery, or disconnect the battery if you already have a standard OE style or after-market pigtail lead installed. The Comfort Indicator Pigtail allows the connection to a CTEK Comfort Indicatot and CTEK charger. Light indicator.

- Designed to fit CTEK US 800, MULTI US 3300 and MULTI US 7002.
- 22 in cable
- Max 10A
- 2 year warranty
