

Spryte Elite Flag Reflectors, 3/8-16, Box/20 RP03816E-20

Details

The Spryte Elite Flag Reflector features a slightly smaller 1.25" diameter while still featuring great visual, reflectability and accuracy for rangefinder players resulting in increased speed of play. Easily screws on top of the flagstick for instant use. The soft foam base protects flagstick and greens, if dropped. Box/20.

- Easily find the distance to the flag
- 1.25" surface for all laser rangefinder players
- Increases speed of play
- Simply screw on top of the flagstick
- Soft foam base protects flagstick and greens if dropped
